

The June Board meeting was called to order at 6:00 p.m.

Members present: President Fannie Mae Massey, Secretary/Treasurer John Massey, Boyd King, Hal Griffin, Dean Baird, Bob Nelson, David Massey, and Maureen Kofkee.

Lion John Massey read the minutes from the May Board Meeting.

Lion John Massey read the finance report from the May Board Meeting. Lion Maureen Kofkee made a motion and seconded by Lion Dean Baird to accept the minutes and financial report as read. Motion carried.

We lost one member, Lion Mary Coyne, due to death.

\$100.00 has been contributed to the diabetic forum.

Discussion was had about how to spend money leftover in the budget for this year. Lion Hal Griffin suggested the Helen Keller Museum, \$250.00; Camp Golf tournament, \$100.00; Sight First Phase II, \$1000.00; donation to Cross Plains – possibly the Volunteer Fire Department (Lion Boyd King will check and see what is needed most), \$500.00. Motion was made by Lion Hal Griffin and seconded by Lion David Massey to accept these and make the donations. Motion carried.

Much discussion was had regarding flags. Lion Hal Griffin said he thought the way we do flags now should be reorganized. Maybe have three (3) people in charge of different aspects. One to do the paper work (bills, keep up with payments and new people added to routes) – Lion John Massey continue to do this. One to keep up with supplies and keep flags in good repair and one to do routes and be sure there are enough Lions to do each route (Lion Boyd King). This way is anyone has a problem, people would not call Lion John all the time.

Meeting adjourned at 7:30 p.m.
